Dear Mr. Poll,

This is to advise you that effective immediately we are discontinuing the delivery of water under your agreement with the District dated May 17, 1962, until payment of all obligations accrued and accruing under the said contract are paid and discharged in full, which is in accordance with the provisions of paragraph 5 of said contract.

You are also advised that we will in due course refer this matter to our attorneys for foreclosure of the lien upon the lands described in the contract, which lien covers the unpaid amounts payable thereunder.

We are sending a copy of this letter to the State Engineer of Utah so that he may be advised of our discontinuance of water deliveries under the contract, pending your settlement of your obligations with us.

Yours truly,

E. J. FJELDESEN
